## Fabric Bunting - what you'll need:

- · 20 x 25cm each fabric for back and front.
- · Thread

## How to make a bunting flag

- 1. Using the template, cut bunting shape from your front fabric (allowance is included).
- 2. Cut a backing fabric to same size.
- 3. With right sides facing, stitch together using 6mm or 1/4 inch seam allowance, leaving top open for turning.
